Welcome to the Meeting of the Community Health Center Board of the County of Ventura. The following information is provided to help you understand, follow, and participate in the Board meeting:

Pursuant to California Government Code Section 54953 (a) et. al., time is set aside for citizen presentations regarding Community Health Center related matters. Those wishing to speak must fill out a speaker card and submit it to the Clerk.

Speaker cards for issues not on the agenda must be submitted to the Clerk prior to the beginning of the public comment period. Speaker cards for Agenda items must be submitted before the item is taken up for consideration. The Clerk may not accept any additional speaker cards once an item commences.

Members of the public making oral presentations to the Board in connection with one or more agenda or non-agenda items at a single meeting are limited to a cumulative total of time not to exceed five (5) minutes for all of their oral presentations at such meeting unless otherwise provided. The entire public comment period is limited to no more than thirty (30) minutes total for all speakers.

**NOTE TIME LIMITATIONS ON DURATION OF SPEAKERS:** The Chair may limit the number or duration of speakers on a matter pursuant to amended Resolution #205 of the Board of Supervisors establishing rules relating to oral presentations by members of the public dated September 18, 2001. If more than six (6) persons wish to speak during the public comment period, or on particular agenda items, the Chair may reduce the time each speaker is allowed to three (3) minutes or any other period of time less than five (5) minutes.

Members of the public who desire to augment their comments with visual or audio presentations using County equipment must submit their materials to the Clerk of the Board and the Chair for review before use of County equipment will be allowed. The review will be conducted to determine only whether the materials are on matters within the jurisdiction of the Board, would be disruptive of the meeting, or would foster illegality. Materials not related to the jurisdiction of the Board will not be allowed.

**REMINDER:** All personal communication devices should be turned off or put in a non-audible mode.
