

We Are Looking For

Medical Therapy Conference Physician

About the Role:

- Support the Ventura County California Children's Services (CCS) Medical Therapy Program in improving care for children (0-21 years) with complex medical and physical needs.
- Participate in monthly full-day Medical Therapy Conferences to evaluate and guide care for children receiving physical and occupational therapy services.
- Collaborate with a multidisciplinary team of therapists, nurses, nutritionists, social workers, and case managers.
- Provide clinical consultation, case review, and recommendations that help shape each child's plan of care.
- Through the multidisciplinary approach, gain knowledge and experience in managing children and youth living with complex chronic medical conditions.

Position Details:

- Work Schedule: 1 full day per month
- Location: Ventura, CA
- Hourly Rate: ~ \$125/hour
- Qualification: Board Certified Pediatrician or Family Practice Physician, preferably a CCS-paneled physician. If you are not a CCS-paneled physician, we can assist in the paneling process.
- This is a California Department of Health Care Services position.
