#### **Procedure**

Upon a death within the Ventura County jurisdiction, a Deputy Registrar will be on-call between the hours of 9:00 AM and 11:00 AM on weekends (excludes holidays).

1. A mortuary contacted by the family of the Deceased, initiates a request for disposition permit via the Electronic Death Registry System (EDRS) per protocol.
2. The mortuary calls the Public Health Department after-hours phone line (805) 214-7057 between the designated emergency service disposition permit hours 9:00 AM and 11:00 AM.
3. The after-hours on-call service contacts the Vital Records Office employee scheduled to be on-call for that day.
4. The Vital Records Office Registrar logs on to EDRS from their off-site or on-site location and completes the disposition in accordance with state regulations and approved protocol. The Vital Records Office registrar contacts the Vital Records Office Manager if there are any questions or concerns about the emergency request.
5. The mortuary accesses the issued disposition permit via EDRS.
6. All permits for out of country will be reviewed and approved on a case-by-case basis and will only be approved if all requirements are met.
