

HOSPITALS

VENTURA COUNTY MEDICAL CENTER (VCMC) is a fully-integrated, comprehensive system of hospital, clinic and specialty services. VCMC is home to the Family Medicine Residency Program that attracts the top doctors from across the nation to train and work in our hospitals. VCMC is also the designated Level II Trauma Center for the West County and offers the only Pediatric Intensive Care Unit in the county. It features the first and only Ronald McDonald Family Room and Quiet Space within a public hospital, in the world. VCMC is a leader in providing care to all, regardless of ability to pay.
