110.030 Charity Care Policy

PURPOSE:

The Ventura County Health Care Agency (HCA), including Ventura County Medical Center (VCMC) / Santa Paula Hospital (SPH) strives to provide compassionate, quality patient care for the community we serve. This policy demonstrates HCA's commitment to comply with California Hospital Fair Billing and Fair Pricing requirements by providing free medically necessary hospital services to eligible patients in accordance with objective, standardized criteria.

SCOPE:

This policy applies to VCMC and SPH, including hospital-based outpatient departments and clinics billed as hospital services.

This policy does not apply to services provided in Federally Qualified Health Centers (FQHCs) or to clinic services billed under a clinic fee schedule. Financial assistance for those services is addressed in separate clinic policies.

POLICY:

VCMC and SPH offer a Charity Care Program for eligible patients receiving medically necessary hospital services, pursuant to Health & Safety Code sections 127400 through 127446.

Patients who meet the hospital financial assistance eligibility gate will be evaluated under either:

- Policy 110.030 - Hospital Charity Care Policy, or

- Policy 110.032 - Hospital Discount Payment Program Policy.

Assignment to Charity Care versus the Discount Payment Program will be made using a standardized, non-discretionary benefit determination process. Charity Care applies when the standardized determination results in an expected patient payment of \$0 for eligible hospital services.

An application for financial assistance may be submitted at any time. Services are presumed medically necessary unless the hospital provides advance attestation that services are not medically necessary.

PROCEDURE:

Eligibility for Participation in the Discount Payment Program

1. Eligibility for Hospital Financial Assistance (Eligibility Gate)

A patient is eligible to apply for hospital financial assistance if the patient:

- Is uninsured (self-pay), or has high medical costs; and
- Has family income at or below 400 percent of the Federal Poverty Level (FPL).

Patients who meet the eligibility gate above will be evaluated under either the Charity Care Program or the Discount Payment Program using a standardized benefit determination process.

For purposes of this policy:

- **Self-pay** includes patients without third-party coverage for the services rendered, and patients whose services are not covered due to benefit limitations.
- **High medical costs** means out-of-pocket hospital costs meeting the definition in Health & Safety Code §127405 and as described in Policy 110.032.

This patient's injury or condition being potentially compensable under workers' compensation, automobile, or other liability coverage does not preclude screening. Where a third party is responsible for payment, Charity Care determinations will be made consistent with applicable law and hospital billing policies.

2. Screening for Coverage and Assistance Programs

HCA staff shall make reasonable efforts to obtain information about whether private or public health insurance, including eligibility for Medi-Cal or Covered California, may fully or partially cover the charges for care.

The fact that a patient is being screened for or applying for insurance coverage shall not preclude the patient from applying for or receiving hospital financial assistance.

Where permitted by law, HCA may assist patients with applying for available coverage programs (e.g., Medi-Cal). Assistance with or application for coverage shall not delay medically necessary care or the hospital's financial assistance determination.

3. Family Definition and Income Determination

The patient's family is defined as:

- For persons 18 years of age and older: spouse or domestic partner; dependent children under 21; and dependent children or any age if disabled, regardless of residence.
- For dependent persons under 18, or ages 18 through 20: parents, caretaker relatives, other children, and dependent children of the parents/caretaker relatives of any age if disabled.

Documentation requirements of family income shall be limited to recent pay stubs or income tax returns, as permitted by law. Other forms of income documentation may be accepted but shall not be required.

Assets: For purposes of this policy, HCA will determine eligibility based on income and applicable law.

HCA does not consider monetary assets when determining eligibility or benefit level under this policy.

Federal Poverty Level determinations shall use the most current Department of Health and Human Services poverty guidelines for the number of persons in the patient's family/household.

4. Benefit Determination - Charity Care (Free Care)

Patients who meet the eligibility gate and whose standardized benefit determination results in an expected patient payment of \$0 for eligible hospital services will be approved for Charity Care.

Balances for approved Charity Care patients shall be reduced to \$0 and the remaining balance shall be eliminated and classified as charity care.

5. Presumptive Eligibility

A patient may be approved for Charity Care based on presumptive eligibility when reliable information indicates eligibility and the patient is unable to submit

documentation, consistent with applicable law and controlled PFS procedures. Examples include, but are not limited to:

- Limited-scope Medi-Cal eligibility (e.g., pregnancy or emergency benefits) without benefits for the services billed;
- Eligibility for a medically indigent adult program offered by another county;
- Patient is homeless or cannot be contacted after reasonable efforts;
- Other reliable indicators supporting eligibility.

Charity Care determinations shall not be delegated to collection agencies.

6. Notices to Patients

HCA shall provide written notice to patients regarding the availability of Charity Care and the Discount Payment Program, including:

- General notices posted in public locations and on the hospital website;
- Notices provided at points of service; and
- Notices included with billing statements to potentially eligible patients.

The content and format of patient-facing notices and application forms shall meet applicable legal requirements and shall be maintained as controlled operational documents, separate from this policy.

7. Billing and Collection Activities

Billing and collection activities related to patients who are eligible or potentially eligible under this policy shall comply with California Hospital Fair Billing and Fair Pricing requirements and HCA billing and collections procedures.

No account shall be referred to collections until required notices and timeframes have been satisfied and either:

- A. The patient has been found ineligible for financial assistance; or
- B. The patient has not responded to billing and financial assistance outreach attempts as required by law and HCA procedures.

HCA shall ensure that any collection agencies utilized comply with applicable law and with the requirements of this policy.

8. Duration of Eligibility

If a patient is approved for Charity Care, eligibility is valid for twelve (12) months from the date of determination unless the patient's financial circumstances materially change.

9. Resolution of Disputes

Any disputes regarding eligibility or benefit determinations under this policy shall be reviewed and resolved by the HCA Chief Financial Officer or designee.

Notice to Accompany Bills to Potentially Eligible Patients

Our records indicate that you do not have health insurance coverage or coverage under Medicare, Medi-Cal, or other similar government or non-government programs. If you have such coverage, please contact our office at **805-648-9553** as soon as possible, so the information can be obtained and the appropriate entity billed.

If you do not have health insurance coverage, or have high medical costs, you may be eligible for Medicare, Medi-Cal, the Ventura County Health Care Agency's Discounted

Payment Program, or the Charity Care Program. For more information about how to apply for Medicare, Medi-Cal, Presumptive Medi-Cal, the California Health Benefit Exchange, or other similar programs, please contact the Ventura County Health Care Agency by telephone at **805-648-9553**, the internet at vchca.org or via email at VCHCA.PatientAssistance@ventura.org and speak to a representative who will be able to answer questions and provide you with applications for these programs. An application for the Discount Payment Program is enclosed.

Emergency Department physicians, who are not employees of the hospital, must also provide a discounted payment program. Please contact **626-447-0296** for further information.

For additional assistance, patients may contact the Ventura County consumer assistance center toll free at **866-904-9362** or visit the Ventura County Human Services Agency website at www.vchsa.org.
