## 110.032 Discount Payment Program Policy

---

### PURPOSE:

The Ventura County Health Care Agency (HCA), including Ventura County Medical Center (VCMC) / Santa Paula Hospital (SPH) strives to provide compassionate, quality patient care for the community we serve. This policy demonstrates HCA's commitment to ensuring financially qualified patients are not charged more than permitted by law for medically necessary hospital services. The purpose of this policy is to establish objective, standardized criteria for determining eligibility and benefits under the Hospital Discount Payment Program (DPP) in compliance with California Health & Safety Code sections 127400-127446.

### SCOPE:

This policy applies to VCMC and SPH and to hospital-based outpatient departments and clinics billed as hospital services.

This policy does not apply to services provided in Federally Qualified Health Centers (FQHCs) or to clinic services billed under a clinic fee schedule. Financial assistance for those services is addressed in separate clinic policies.

### POLICY:

VCMC and SPH offer a Discount Payment Program for eligible patients receiving medically necessary hospital services. Patients who meet the eligibility criteria described below will be considered for financial assistance under either:

- Policy 110.030 - Hospital Charity Care Policy, or
- Policy 110.032 - Hospital Discount Payment Program Policy

Eligibility for financial assistance is determined using a single eligibility gate. Assignment to Charity Care versus the Discount Payment Program is determined using a standardized, non-discretionary benefit determination process, as described in this policy.

An application for financial assistance may be submitted at any time. Services are presumed medically necessary unless the hospital provides advance attestation that services are not medically necessary.

## **PROCEDURE:**

### **Eligibility for Participation in the Discount Payment Program**

#### **Eligibility Gate (Hospital Fair Billing)**

A patient is eligible to apply for hospital financial assistance if the patient:

- Is uninsured (self-pay), or has high medical costs; and
- Has family income at or below 400 percent of the Federal Poverty Level (FPL).

Patients who meet the eligibility gate above will be evaluated under this policy unless the standardized benefit determination results in assignment to Charity Care under Policy 110.030.

## **DEFINITIONS**

### **Self-Pay Patients**

A patient who does not have third party coverage from a health insurer, health care service plan, Medicare, or Medi-Cal for those services rendered, or whose injury is not a compensable injury under workers' compensation, automobile insurance, or other liability coverage as determined and documented by HCA.

### **High Medical Costs**

A patient whose family income does not exceed 400 percent of the Federal Poverty Level and whose out-of-pocket medical expenses for hospital services meet one or more of the following:

- A. Annual out-of-pocket hospital costs exceed the lesser of ten percent (10%) of the patient's current family income or ten percent (10%) of the patient's family income in the prior twelve (12) months; or

- B. Annual out-of-pocket medical expenses paid by the patient or the patient's family exceed ten percent (10%) of the patient's family income, based on documentation of expenses paid within the prior twelve (12) months.

## **Insured and Underinsured Patients**

A patient with third-party coverage may qualify as having high medical costs for purposes of this policy when the patient's cost-sharing obligations (including deductibles, copayments, and coinsurance) meet the criteria above and the patient does not otherwise receive a discounted rate from the hospital based on third-party coverage.

## **Family Income and Federal Poverty Level (FPL)**

Eligibility determinations under this policy are based on family income and the Federal Poverty Level in effect at the time of service or first billing, using the most current Department of Health and Human Services (HHS) poverty guidelines.

Documentation of income is limited to recent pay stubs or income tax returns, as defined by law. Other documentation may be accepted but shall not be required as a condition of eligibility.

Monetary assets of the patient or the patient's family shall not be considered in determining eligibility or benefit level under this policy.

## **Benefit Determination and Discount Limit**

Patients who meet the eligibility gate and whose standardized benefit determination results in an expected patient payment greater than \$0 will be assigned to the Discount Payment Program.

For patients eligible under this policy, the expected payment for hospital services shall not exceed the amount the hospital would reasonably expect to receive from Medicare or Medi-Cal, whichever is greater, consistent with California Hospital Fair Pricing requirements.

## **Patient Insurance Status Unknown**

HCA staff shall make reasonable efforts to determine whether private or public health insurance coverage may fully or partially cover the charges for care. Screening for coverage shall not delay or preclude screening for hospital financial assistance.

## **Emergency Physicians**

Contracted Emergency Department physicians providing emergency services at VCMC and SPH are required by law to provide discounts to uninsured patients or patients with

high medical costs who are at or below 400 percent of the Federal Poverty Level. Patients will be notified of the availability of such programs.

## **Extended Payment Plans**

Eligible patients assigned to the Discount Payment Program will be offered a reasonable, interest-free extended payment plan. Monthly payments shall not exceed ten percent (10%) of the patient's monthly family income, excluding essential living expenses.

## **Notices to Patients**

HCA shall provide written notice to patients regarding the availability of Charity Care and the Discount Payment Program, including:

- General notices posted in public locations and on the hospital website;
- Notices provided at points of service; and
- Notices included with billing statements to potentially eligible patients.

The content of patient notices shall meet applicable legal requirements and shall be maintained as operational documents, separate from this policy.

## **Collection Activities**

Billing and collection activities related to patients eligible or potentially eligible under this policy shall comply with California Hospital Fair Billing and Fair Pricing requirements. No account shall be referred to collections until required notices and timeframes have been satisfied.

HCA shall ensure that any collection agencies utilized comply with applicable law and with the requirements of this policy.

## **Duration of Eligibility**

Eligibility determinations under this policy are valid for twelve (12) months from the date of determination unless the patient's financial circumstances materially change.

Presumptive eligibility determinations may be made based on reliable information when a patient does not submit documentation.

## **Resolution of Disputes**

Any disputes regarding eligibility or benefit determinations under this policy shall be reviewed and resolved by the HCA Chief Financial Officer or designee.

The name of the company your account will be assigned to: California Business Bureau

How you can obtain an itemized bill from us: Please call 805-648-9553 for an itemized bill

The name and type of health care coverage on record at the time of services or a statement that the hospital does not have that information

Applications for our Charity Care and Discount Payment Policies: See attached applications

The date(s) you were originally sent a notice about applying for financial assistance:

XX/XX/XXXX

The date(s) you were sent a financial assistance application: XX/XX/XXXX

The date a decision was made on the application, if submitted: XX/XX/XXXX

Please contact us at (805-648-9553/business office) if you have any questions about this letter, or about your account/bill with us.

Respectfully

HCA
